VP HI-PERFORMANCE MOTOR OILS

VP HI-Performance Motor Oils are formulated using high quality synthetic blend base stocks and cutting-edge additive technology specifically designed for small block race engines and classic, historic, vintage, hot rod, street rod, muscle and other enthusiast applications. It is not for drag racing or professional racing applications. Do NOT mix oil additive supplements with this product. It is not designed to be used with catalytic converters.

VP HI-Performance Motor Oils exhibit excellent oxidative stability and wear protection, utilizing a unique inhibitor/anti-wear package based on ZDDP (Zinc Dialkyl Dithiophosphate). The **VP HI-Performance Motor Oils** provide excellent protection to flat tappet and roller cams and meets the performance requirements of API SN.
